Breeding dates and pregnancy status must be reported to Fritz Leeman Farm Inc via the form enclosed with the shipped cooled semen or via the attending veterinarian's letterhead no later than August 15th of the breeding year. Breeding dates and pregnancy status must be reported to European Agent DAVID MAISONETTE via the attending veterinarian's letterhead no later than September 15th of the breeding year. LIVE FOAL GUARANTEE

- 1.** The confirmation of Pregnancy form must be received and on file and is a requirement for a “Live Foal Guarantee”. A live foal is described as that the foal resulting from the breeding shall stand and nurse within twenty-four (24) hours. If a live foal does not result from the breeding, the Mare Owner will be entitled to rebreed the Mare the immediate subsequent

breeding season only, provided proper written notification that the Mare has slipped or produced a nonviable foal or failed to conceive. Proper notification must be received within one week (7 days) of the nonviable foal being born.

REBREED OPTIONS:

1. If the mare miscarries, proves barren after being checked in foal, or fails to conceive during the normal breeding season, Breeding Manager agrees to breed said mare again during **the following year's breeding season only**. There will be a charge of \$600 for "re-breed" service expenses plus \$250 per frozen dose if applicable. A contract is only valid for the initial contract year and the following year for rebreed purposes. Does not apply to a rebreed contract.

The mare owner must request a substitution form and submit for approval before semen will be shipped for breeding the substitute mare. The substitute mare must be owned or leased by contract owner. There is a \$125 USD administrative charge to substitute a mare as long as Fritz Leeman Farm Inc has approved the substitution prior to her being bred. If a substitute mare is bred without approval and payment of administration fee in advance there will be a \$500 fee to amend the named mare on contract.

3. Embryo enrollment and frozen embryo forms for the mare are the responsibility of the mare owner
4. FAILURE TO NOTIFY FRITZ LEEMAN FARM INC OF YOUR MARES PREGNANCY STATUS BY AUGUST 15TH FOR COOLED OR SEPTEMBER 15TH FOR FROZEN, COULD RESULT IN HER BEING LEFT OFF THE BREEDERS REPORT. BREEDERS CERTIFICATE:

1. **This contract is only valid for one (1) breeders certificate.** Multiple embryos will require separate contracts and fees. A "breeders certificate" must be requested and will be issued and/or released online for the live foal conceived by the mating when stallion fees and all other expenses have been paid in full. All other expenses include any fees resulting from onsite services provided by Fritz Leeman Farm Inc and the attending Veterinarian. Mare Owner must notify Breeding Manager that a live foal has been produced.

Note: Any unpaid bills owed by the mare owner to either Fritz Leeman Farm Inc or the attending farm veterinarian will result in a hold of the mare's name on the appropriate stallion breeding report. The mare owner shall be responsible for reasonable attorney fees and court costs, if necessary, to collect fees due. Unpaid accounts may be subject to a finance charge of 1.5% per month on the unpaid balance, from the date incurred. In the event that the account is not paid within 45 days from the date of the monthly statement, the breeder may refuse to palpate, tease or breed the mare.
